ANR Eligibility Requirements for T-AP applicants based in France

Note: This addendum to the Trans-Atlantic Platform Social Innovation (T-AP SI) Call for Proposals contains funding agency-specific information for candidates applying for French funding. Please see the [Trans-Atlantic Platform](#) website for links to the main Call for Proposals.

Participant:

This call is supported by ANR (Agence Nationale de la Recherche)

Notice: Depending on all conditions of eligibility and peer review being met, the budget earmarked by the participating funding agency ANR for this call will be up to 1 000 000 Euros. Up to 250 000 € can be requested per project.

Please consult the programme's webpage on the ANR website at <http://www.agence-nationale-recherche.fr>, in particular the conditions for the participation of French applicants ("Modalités de participation pour les participants français") to make sure to comply with all ANR requirements. In addition for France, the following eligibility and national funding modalities apply:

- **Who can apply?**

Researchers based at organizations eligible to ANR funding under the provisions of the ANR's *Règlement financier* (See <http://www.agence-nationale-recherche.fr/RF>)

- **What are eligible costs for French researchers?**

Standard national rules apply, including for overheads. Staff costs, travel costs, outsourcing, investment costs and other costs are eligible under the provisions of the ANR's *Règlement financier* (<http://www.agence-nationale-recherche.fr/RF>)

Please ensure you complete and attach the ANR financial table ("Annexe financière") when submitting the Proposal form.
